SUMMARY STATEMENT

Aspiring Full-Stack Developer with a strong foundation in front-end development, UX design, and cloud-native technologies, experienced in building scalable, responsive web applications using modern frameworks like React, Node.js, and Express. Passionate about crafting clean, user-centric digital experiences and actively seeking opportunities in front-end, back-end, full-stack, or UI/UX-focused development roles.

EDUCATION

The University of Tennessee (UTK), Knoxville, TN

Graduated, May 2025

Bachelor of Science, Information Science (BSIS) | Concentration: User Experience Design (UXD)

GPA: 3.22 | Major GPA: 3.51

Dean's List, Spring 2025 | Magna Cum Laude

TECHNICAL SKILLS

- **Languages:** HTML, CSS, JavaScript, Python, SQL, YAML, Git
- **Frameworks/Libraries:** React, Node.js, Express, Django, Flask, Bootstrap, Redux, Pandas, Matplotlib, IBM Watson AI
- **Databases:** SQL, Microsoft Access, Django ORM, Database Design
- **Tools:** Git/GitHub, Figma, Photoshop, Illustrator, Docker, Kubernetes, OpenShift, Microsoft Office
- **AI Tools:** ChatGPT, Microsoft CoPilot, IBM Watsonx Code Assistant
- **Cloud Platforms:** AWS, Microsoft Azure, Google Cloud, IBM Cloud
- **DevOps:** CI/CD Pipelines, Serverless Architecture, Microservices, Cloud-Native Development
- **Methodologies:** Agile, SDLC, Software Architecture Principles
- **Personal:** Strong technical aptitude and leadership in collaborative settings

EXPERIENCE

IBC Traffic – Web Developer / Summer Internship, Remote

May 2024 – Aug 2024

- Partnered with senior management to gather requirements and lead the redesign of the corporate website, enhancing UX and boosting traffic and conversions.
- Designed and implemented site features using Figma (prototyping), Squarespace, and custom HTML, CSS, and JavaScript.
- Conducted iterative user testing to refine functionality, resulting in a more intuitive and user-friendly experience.
- Continue to support ongoing website updates and improvements as requested by the team.

CERTIFICATIONS

- AWS Certified Cloud Practitioner AWS, July 2025
- IBM Full Stack Software Developer Professional Certificate Coursera, August 2025
- Meta Front-End Developer Professional Certificate Coursera, Jan 2025
- Google User Experience Design (UXD) Professional Certificate Coursera, Sep 2024

RELEVANT COURSEWORK – The University of Tennessee

Database Design

- Designed and developed relational databases using conceptual modeling, logical structures, and SQL.

Programming for Information Applications

- Built data-driven programs using control structures, data structures, and visualizations.

User Experience Design

- Conducted user research, created wireframes and prototypes in Figma, and performed usability testing with a focus on accessibility.

Interfaces and Interaction Design

- Applied HCI principles to design user interfaces; evaluated usability in UTK's Research & Innovation Center lab.
